

EzPaycheck 2015 Payroll Software Answers Needs of Doctors & Professionals

1888 Press Release - Small business payroll software ezPaycheck 2015 was updated with new feature to increase flexibility for offices of doctors, dentists, lawyers & other professionals. Try it today at www.halfpricesoft.com

Houston, TX - Paying employees on time and accurately should be easy for 2015. Payroll software EzPaycheck 2015 from halfpricesoft.com is designed to simplify the payroll tax calculations, paycheck printing and tax reporting for small businesses and non-profits. With its new updates and features, now doctors, dentists, lawyers and other professionals with office staff can enjoy the advantages of automated payroll offered by ezPaycheck payroll software for small businesses.

"Doctor offices, law firms and other professional offices often have payroll needs that differ greatly from retailers and production facilities, such as multiple professionals working independently within one business and outsourcing specific tasks to contractors," said Halfpricesoft.com founder Dr. Ge. "Our latest 2015 generation of ezPaycheck payroll software was designed with these needs in mind and represents our commitment to make automated payroll functions available to all small businesses."

The new 2015 edition includes the latest tax tables and forms. Several new features are also available in ezPaycheck 2015, simplifying the mundane task of processing payroll:

ezPaycheck 2015 will support both salary employees and hourly rate contractors

ezPaycheck 2015 can support multiple company accounts with no extra cost

ezPaycheck 2015 allows employers to add up to 500 employees in each account with no extra cost. so business owners need not worry about the cost when they hire new employees.

EzPaycheck business payroll software is an innovative application catering to small and mid size business owners new to payroll processing. The easy to use and inexpensive graphical interface allows customers to print paychecks as well as W2, W3, 940, 941 forms all within one software application.

This popular and easy-to-use software is priced at just \$89 per installation for new users and is available for free download and free 30-day trial online at http://www.halfpricesoft.com/payroll_software_download.asp. Affordable for any size business, ezPaycheck payroll software is designed to be so easy to use that even users with no accounting or IT background can begin running payroll as soon as the software is installed.
